

PERFECT HOLIDAY

By Jerónimo Cárdenas

E SCOTLAND

INTRODUCTION

one of the four countries which constitute the UK.
His weather is mostly raining, with average temperature of 8°C offer a super beautiful landscapes in its green mountains

MY DREAM PLACES

Edimburg

Castles

Landscapes

PLACES

1

Edimburg is consider the beatest city in the all europe due to his castle and history people says the have amazing sunsets

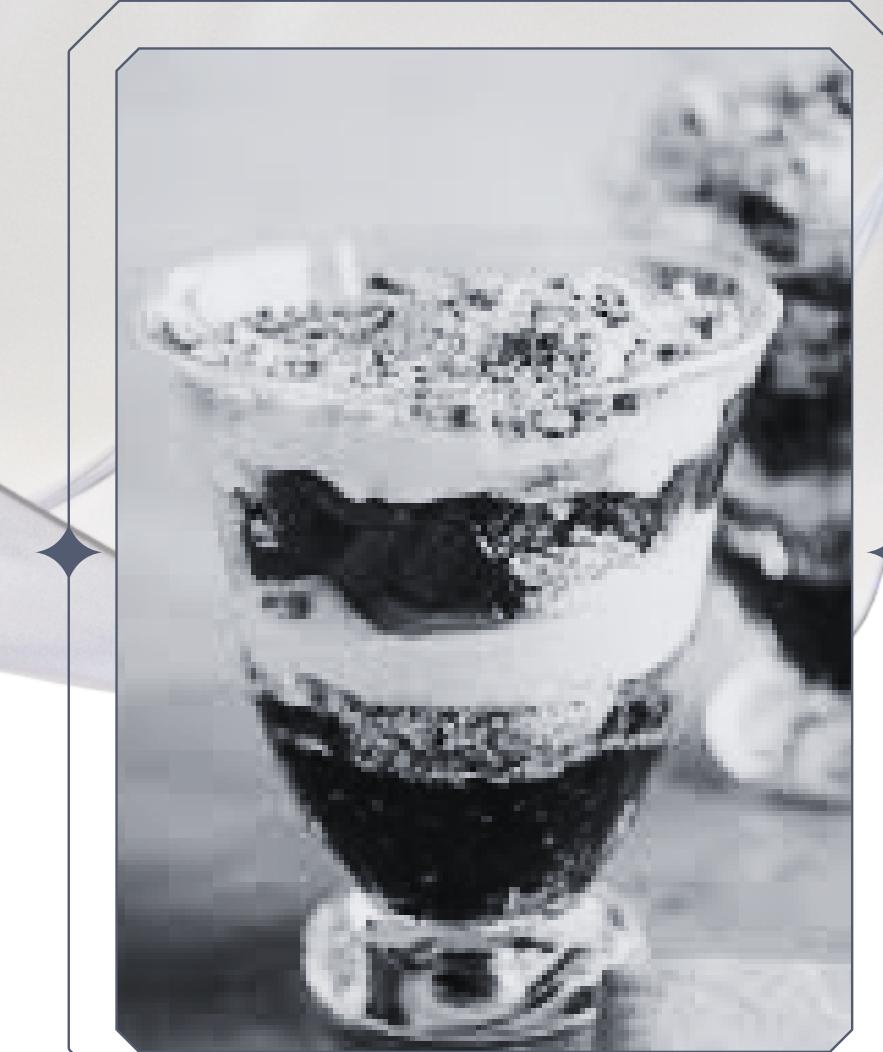

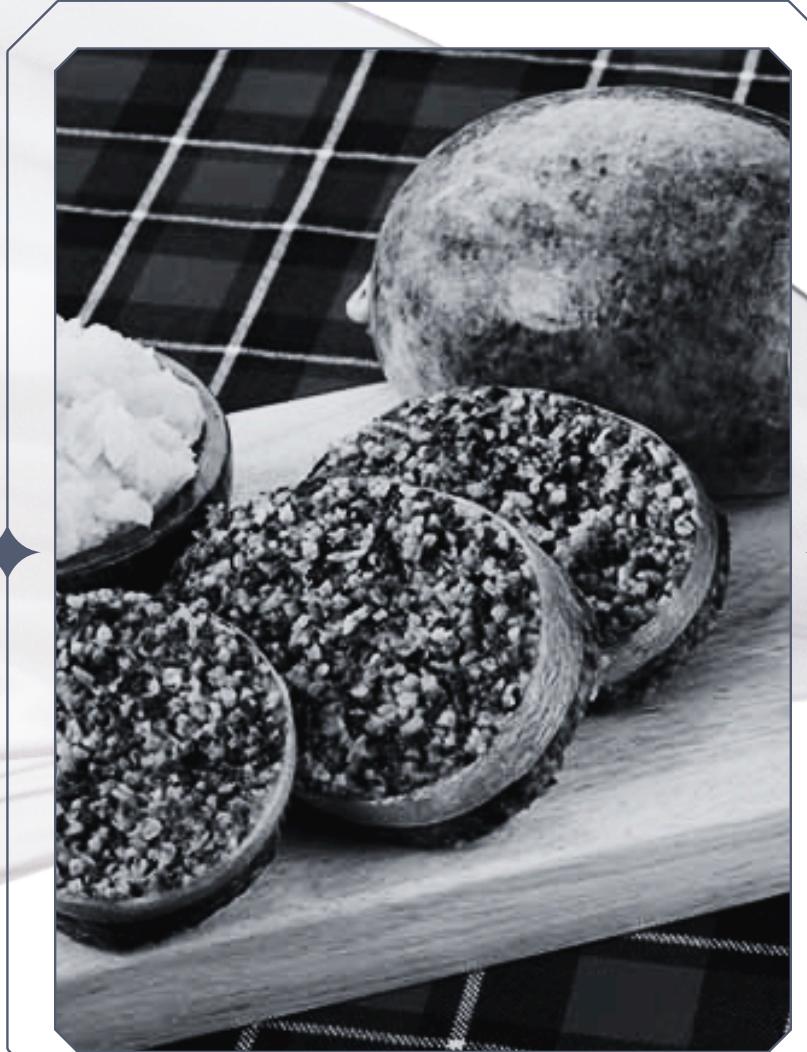

2

Castles and monuments are from fairy tales, a lot of movies and serias has been recorded here like harry potter, Game of thrones etc

3

the cliffts and montains are a great destiny for people who prefer cold and wind

Food

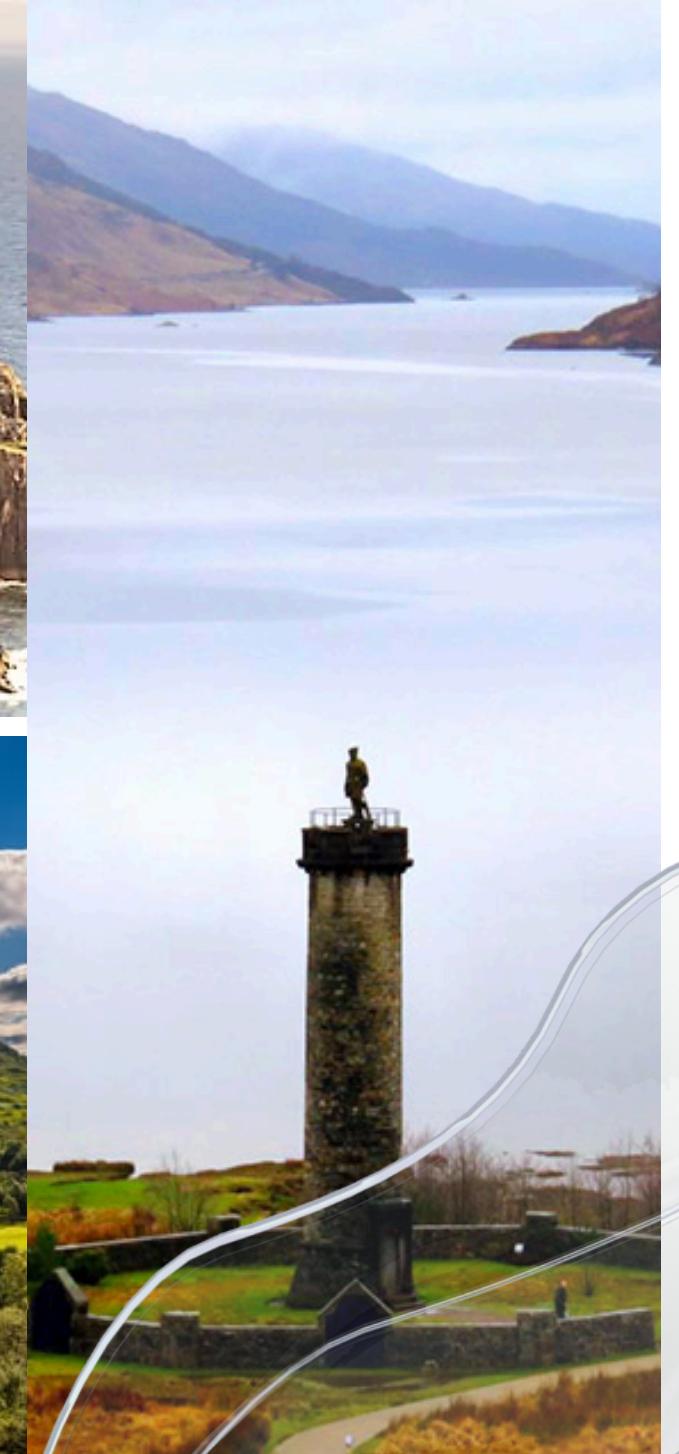

I'm not there for food

CONCLUSION

I choose this place because i like that feeling of explore new places like in the castles stories, i had the opportunity to go places like this and gives me the real peace feling, something tha places like beaches, cruises, resorts, and cities have not given me. I hope to travel there soon, and i hope you can see it too.

SOME COLOR NOW
